

**UPDATED INFORMATIVE DIGEST
FOR
PROPOSED BUILDING STANDARDS
OF THE
OFFICE OF STATEWIDE HEALTH PLANNING AND DEVELOPMENT**

**REGARDING THE CALIFORNIA BUILDING CODE
CALIFORNIA CODE OF REGULATIONS, TITLE 24, PART 2
(Nonstructural Chapters)**

The Office of Statewide Health Planning and Development finds that no revisions have been made which would warrant a change to the informative digest contained in the Notice for Title 24, Part 2, Chapters 1 through 35 (excluding Chapter 12) regarding the proposal to adopt the 2006 International Building Code for incorporation, by reference, into the 2007 California Building Code and to carry forward existing California amendments related to hospitals, skilled nursing facilities, licensed clinics and correctional treatment centers. This proposal will also clarify that requirements for skilled nursing facility construction also apply to "distinct part" units included on a hospital license and units within hospital buildings. In addition, minor technical amendments are proposed to the nonstructural provisions for coordination with other parts of the Title 24, California Building Standards Code.
